Dear Mr. Robinson,

I am responding to your request to Dr. Linda Han for a DPH representative to serve as the Departmental Laboratory Safety Coordinator. Dr. Han is currently out of the country so I am responding on her behalf. James Hanchett will continue to serve as our representative to this board. His contact information remains unchanged from last year.

If you have any further questions, please contact me at julianne.nassif@state.ma.us or at the telephone number below.
